## MESSAGE FROM THE PRESIDENT

*Welcome to all our members and special guests to our 63rd Annual Conference of the Louisiana Public Health Association. This year has been an exciting year for our organization in initiating and launching this year's theme " The NEW PUBLIC HEALTH: Collaboratives and Partnerships to Improve the Public's Health".*

I want to thank Nicole Coarsey, our 1st Vice President, and her Program Committee members for all their efforts in producing this outstanding program for our conference. This meeting highlights the "Collaboratives and Partnerships" LPHA has made this year and will introduce plans for future new directions that our Association will take to "Improve the Public's Health".

Our Local Arrangements Chairman this year is Janet Merritt. The hard work and dedication of Ms. Merritt and her committee members, with assistance of many LPHA members, has made this conference possible. Sonja Thomas and Janet Merritt were very successful in enlisting our Corporate Sponsors and Exhibitors in support our conference.

A big "thank-you" goes to our Partners, "Louisiana Rural Water Association" and our "Louisiana Emergency Preparedness Members". Both of these organizations are hosting training sessions at our conference, and LRWA is sponsoring and hosting our Thursday Night Social at Harbor Edge Prien Lake Park. A special thanks also to the Office of Public Health/Center for Community Preparedness for making it possible for so many public health workers to attend this conference.

Finally, I would like to thank the Governing Council members who have helped me in working toward reaching my goals this year as your President. It has been an honor to serve with so many of my friends and colleagues. Because of their support, LPHA will be exploring new ideas and directions. Enjoy the conference and help us make this conference LPHA's most successful.

Butch Martin RS  
LPHA President, 2010-2011

***“The NEW Public Health: Collaboratives and Partnerships to Improve the Public’s Health”***

Louisiana Public Health Association  
63<sup>rd</sup> Annual Educational Conference  
March 16-18, 2011

**PURPOSE**

The Annual Educational Conference of the Louisiana Public Health Association provides educational experiences featuring presenters and exhibits for the purpose of promoting health and wellness. The 2011 conference focuses on the collaboratives and partnerships needed to improve the public’s health.

**ANNOUNCEMENTS**

Official name tags **must** be worn in order to be admitted to any of the sessions and to vote at the General Business Meeting Breakfast on Friday morning. To be admitted to any of the social events, your name tag must also be worn. Lost name badges will be replaced for a \$2.00 administrative fee.

**PRE-CONFERENCE INFORMATION**

**Emergency Preparedness Track**

Monday March 14, 2011 and Tuesday March 15, 2011

Sycamore A conference room

After a successful premier at last year’s conference, the Emergency Preparedness and Response Track will be conducted as a pre-conference event.

**LPHA REGISTRATION DESK HOURS**

Wednesday March 16, 2011 8:00AM – 4:00 PM and Thursday March 17, 2011 8:00 AM – 4:00 PM

**SPECIAL EVENTS**

**Exhibits:**

Please visit all of our exhibits which are located in L’Auberge A; they are open on Wednesday March 16, 2011 (10AM – 5:00PM) and Thursday March 17, 2011 (8:00AM – 4:00PM). Please remember to thank all of our exhibitors, as they provide us with much needed support to make our conference a success.

Be sure to complete your “Exhibitor Card” and return to the Registration Desk for entry in drawing for special door prizes.

**Environmental Health Section Luncheon**

Wednesday March 16, 2011 in L’Auberge E (11:00AM – 12:30PM)

**Nursing Section Luncheon**

Wednesday March 16, 2011 in L’Auberge F (11:00AM – 12:30PM)

**Crawfish Boil:**

Wednesday March 16, 2011 6:30PM – 9:30PM off site at the Indian Bay Pavilion.

Shuttle service will be provided from 6:00PM – 7:00PM and on the return trip. Shuttle pick-up will be in the Valet entrance (by the large water fountain).

**LPHA Awards Luncheon:**

Thursday March 17, 2011 12:00PM – 1:00PM in L’Auberge D.

**Louisiana Rural Water Association Hosted Social:**

Thursday March 17, 2011 6:00PM – 10:00PM off site at the Harbor Edge Prien Lake Park.

Shuttle service will be provided from 5:30PM – 6:30PM and on the return trip. Shuttle pick-up will be in the Valet entrance (by the large water fountain).

## CONTINUING EDUCATION

### Nurses:

#### **Criteria for Successful Completion of this Continuing Education Activity**

In order to receive full contact-hour credit for this CE activity:

- Be registered on the sign-in sheet
- Be present no later than ten (10) minutes after starting time
- Remain until the activity is dismissed
- Submit the activity evaluation form

Requirements for successful completion may also include participation in individual or group activities such as discussion, exercises, practice questions, pre-/post-testing, etc.

### Accreditation:

Office of Public Health Continuing Nursing Education Program is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

A maximum of 5.0 nursing contact hour is provided for this activity.

### Physicians:

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Louisiana State Medical Society through the joint sponsorship of the Office of Public Health Continuing Medical Education Program and Louisiana Public Health Association. The Office of Public Health Continuing Medical Education Program is accredited by the Louisiana State Medical Society to provide continuing medical education for physicians.

Office of Public Health Continuing Medical Education Program designates this educational activity for a maximum of 5.0 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Special Accommodations:

Office of Public Health Continuing Medical Education Program and the Office of Public Health Continuing Nursing Education Program fully comply with the legal requirements of the ADA and the rules and regulations thereof.

If any participant of the "*The New Public Health Collaborative and Partnerships to Improve the Public's Health*" activity offered by Office of Public Health Continuing Medical Education Program and the Office of Public Health Continuing Nursing Education Program is in need of accommodation, please do not hesitate to call Regina Williams at 225-342-7880 and/or submit in writing to Regina Williams at fax 225-342-0886 or [regina.williams@LA.GOV](mailto:regina.williams@LA.GOV) by March 7, 2011 in order to receive the service.

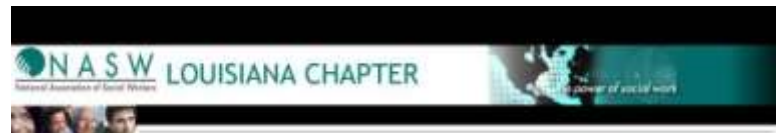

**Disclosure:**

The presenters and planners for this activity have no relationship with manufacturers of drugs or devices that could be perceived as a conflict of interest in the subjects of these presentations. The presentations will not include discussions of off-label uses of drugs or devices. Contributions to the conference have been made by exhibitors and other supporters as listed in the program booklet.

Accredited status does not imply endorsement by the Office of Public Health Continuing Nursing Education Program, Office of Public Health Continuing Medical Education Program, Louisiana State Medical Society (LSMS), or American Nurses Credentialing Center (ANCC) of any commercial products that may be displayed in conjunction with an activity.

**Non-Discriminatory:**

Office of Public Health Continuing Medical and Nursing Education Programs assures equal opportunity for all qualified persons without regard to race, color, religion, sex, national origin, age, handicap, marital status or veteran’s status in the admission to or participation in any of its programs.

This program was approved for        **clinical contact hours** of continuing education credit by the National Association of Social Workers – Louisiana Chapter as

authorized by the Louisiana State Board of Social Work Examiners.

**Environmental Health:** The Louisiana State Board of Examiners for Sanitarians has approved selected topics **for up to 16 contact hours**, which may be applied toward the continuing education requirement for licensure renewal.

Louisiana Bureau of EMS has approved **up to 7.25 hours** of continuing education.

# Get to know LPHI

The Louisiana Public Health Institute (LPHI) is a statewide, 501(c)(3) nonprofit organization founded in 1997 that serves as a partner and convener to improve population-level health outcomes. Our mission is to promote and improve health and quality of life through diverse public-private partnerships with government, foundations, academia, community groups and private businesses at the community, parish and state levels.

LPHI coordinates and manages public health programs and initiatives in the areas of health systems development and health promotion/disease prevention and provides an array of services to help meet the needs of local and national partner organizations.

### LPHI services include:

Evaluation Design and Implementation  
Electronic Medical Records  
Health Communications and Public Relations  
Social Marketing Campaign Management  
Brand Development

Health Systems Development  
Fiscal and Operations Management  
Health Policy and Advocacy  
Community Assessments  
Program Design and Implementation

Community Capacity Development  
Translational and Applied Research  
Web and Application Development  
Geographic Information Systems (GIS)

For more information, visit [www.lphi.org](http://www.lphi.org) or call (504) 301-9800.
